

Shortt Dogg

As experienced professional musicians, Shortt Dogg has one goal in mind for your event. To insure that your affair is an exciting, memorable and spectacular occasion. Shortt Dogg's multi-talented musicians with many years of experience bring diverse musical influences and a professionalism that has contributed to the band almost two decades of musical success. Oklahoma City's own Shortt Dogg specializes in '80s dance, Motown, top 40, old-school funk & soul and rock-n-roll music and is one of the Southwest's most requested cover bands. A favorite among fraternity & sororities, they are also a perfect band for weddings, private parties, festivals and corporate events. Shortt Dogg delivers a dazzling, high-energy show...complete with tight musicianship, silky-smooth harmonies and powerhouse lead vocals.

By any measure, Shortt Dogg is one of the most talented bands to come out of the southwest United States. The ability to fuse R&B and jazz with an irresistible "funk" and intelligent lyrical content has gained the band and extremely loyal following among fans and great respect from their performing peers. From their inception, producer Johann Kimbro choose to develop a group that would fuse traditional vocal group styling's with funk, neo-soul and hip-hop rhythms. All of the vocalist cut their "musical teeth" in the church where they learned to harmonize. It is this combination of sweet harmonies and sophisticated funk that has propelled Shortt Dogg's success and secured the groups reputation as one of the "southwest's best party bands".

Shortt Dogg receives the 2016 Oklahoma Gazette Music Award for Best R&B Band. Thanks to all of our fans, friends and family for supporting Shortt Dogg.
